Hello Neighbor!

The Town of Skaneateles is excited to undertake The Northern Hamlet Master Plan! This planning effort will result in a targeted neighborhood plan that will guide future decisions regarding local economic development, housing, open space, transportation, and infrastructure in a manner intended to preserve the character and history of the hamlets for those living and working in proximity to the hamlets of Mottville and Skaneateles Falls.

There will be a public presentation Wednesday, October, 4th, 2023 from 6pm to 8pm. This presentation will discuss the draft findings and recommendations for the Northern Hamlets Master Plan!
